

## Political Platform of RKI

- 1.Uphold traditional Albanian values and customs, including respect for family, religion, and nation.
- 2.Promote national sovereignty and reject globalism in some aspects.
- 3.To support the rule of law and the protection of private property rights, while limiting government interference in economic affairs.
- 4.Increase military spending to ensure the country's security and territorial integrity.
- 5.Restrict immigration to maintain cultural and ethnic homogeneity.
- 6.Promote the use of the Albanian language and culture in public life, while discouraging the use of foreign languages by Albanians.
- 7.Protect the rights of unborn children and oppose abortion of 6+ weeks fetuses, only allow them when the life of the mother is in danger or have been raped.
- 8.Promote traditional marriage and family values, while opposing same-sex marriage or adoption of kids by LGBT individuals, while still respecting human rights.
- 9.Support the protection of the environment while rejecting extremist environmentalist agendas that undermine economic development.
- 10.Ensure that Albanian schools promote a traditional education that teaches moral values, history, and cultural heritage.
- 11.Oppose political correctness, censorship, and "cancel culture" that stifle free speech and thought.
- 12.Promote free-market policies that reduce government regulation and encourage private enterprise.
- 13.More efficient public spending to limit government debt to ensure fiscal responsibility and sustainability.
- 14.Support the traditional role of the family as the primary source of social stability and reject state intervention in family life.
- 15.Promote Albanian tourism and investment to stimulate economic growth and job creation.
- 16.Protect Albanian workers and businesses from unfair competition from foreign companies and imports.
- 17.Increase law enforcement efforts to reduce crime and violence, while protecting the rights of victims and defendants.
- 18.Support the creation of labor camps for the most heinous criminals.
19. Oppose the use of recreational drugs and promote drug prevention and rehabilitation programs.
- 20.Ensure that Albanian culture and history are properly represented in the media and the arts.
- 21.Promote national unity and reject divisive identity politics that divide Albanians based on origin or religion.

- 22.Promote the use of renewable energy sources and technologies that support economic growth and environmental sustainability.
- 23.Protect the rights of Albanians living abroad and promote their return to Albania to invest in the country's economy.
- 24.Oppose the spread of radical ideologies and terrorist organizations that threaten Albanian security and values.
- 25.Promote the use of technology to improve public services and increase transparency in government affairs.
- 26.Promote traditional Albanian handicrafts and arts to stimulate cultural and economic development.
- 27.Oppose corruption and the abuse of power in all forms and at all levels of government.
- 28.Promote the development of rural areas and support farmers and small businesses to reduce urbanization and migration.
- 29.Support the Albanian Armed Forces and increase cooperation with its allied countries.
- 30.Oppose the use of force or aggression against other nations and promote diplomacy and peaceful solutions to international disputes when possible.
- 31.Support the development of tourism and cultural events that promote the Albanian brand and image abroad.
- 32.Promote traditional gender roles and reject misogynist or misandrist ideologies that undermine family values and traditional gender roles.
- 33.Support the use of Albanian elements in architecture and construction.
- 34.Increase penalties for illegal logging and deforestation.
- 35.Expand protected areas for wildlife and biodiversity conservation.
- 36.Develop policies to support sustainable agriculture and reduce the use of harmful pesticides and fertilizers.
- 37.Increase the number of judges and prosecutors to reduce case backlogs and improve the efficiency of the justice system.
- 38.Increase the use of surveillance cameras in public spaces to deter crime.
- 39.Increase investment in science and technology, especially in fields that can benefit the Albanians.
- 40.Promote family-friendly policies such as tax incentives for large families and maternal or paternal leave.
